Admiralty Harbour is pleased to announce that Wallace Wang has joined as an Executive Director and Head of Origination in the Capital Markets & Advisory department. In this role, Wallace will help to further broaden client coverage and enhance origination effort across various capital markets and advisory products for our clients.

Fluent in English and native Mandarin, Wallace holds a Bachelor of Commerce degree in Accounting and Finance from University of Melbourne.

"Wallace is an important strategic addition to our Firm and we are delighted that he has joined us to help expand and deepen our client coverage and origination effort," said Patrick Liu, CEO of Admiralty Harbour.
